## NEW ZEALAND

New Zealand is a multi-cultural country with some 4 million people (and 10 million sheep), with the principle language being English.

The 2012 event will take place in the central part of the North Island of New Zealand during our late Spring / early Summer.

The proposed route will take you from sea level to mountain range, with some of the best special stages, through some of the most scenic landscapes in the world, along the way.

The North Island has many superb gravel public roads of a predominantly hard base, which range from fast and flowing, to tight and twisty.

The North Island with Auckland in the centre north, down to the Capital City of Wellington in the south, showcases a huge variety of scenery from the snow capped mountains and geysers on the central Geothermal Plateau, through to the picturesque coastlines and beaches, surrounding the entire island. Along the way you will travel through flat to rolling beef and sheep farming countryside.

In the Southern Hemisphere (New Zealand) at this time of the year you can expect to encounter temperatures ranging between 10°C – 20°C.
