

MG Car Club (Auckland Centre) Inc.

Bay of Plenty Register

Annual Report 2016

There has been an increase in participation by BOP members this year and we have welcomed several new faces who have moved into the area. We have continued our format of monthly social runs which have taken us to a variety of destinations. Our thanks and appreciation goes to the members who have taken a turn in plotting a run and given us the opportunity of enjoying some great MG motoring.
